PROFILE

Skip is a highly accomplished real estate executive with a wide range of skills and experience. His accomplishments include executive leadership and hands-on implementation of several award-winning master-planned communities, including Orenco Station in Hillsboro, OR, and Villebois in Wilsonville, OR.

Skip specializes in land development, single-family, and multi-family properties. In his commercial real estate brokerage career, Skip has closed well over \$1 billion in investment sales, development, and redevelopment properties.
